FUN FACTS

Hummingbirds are the only animal that can also fly backwards.

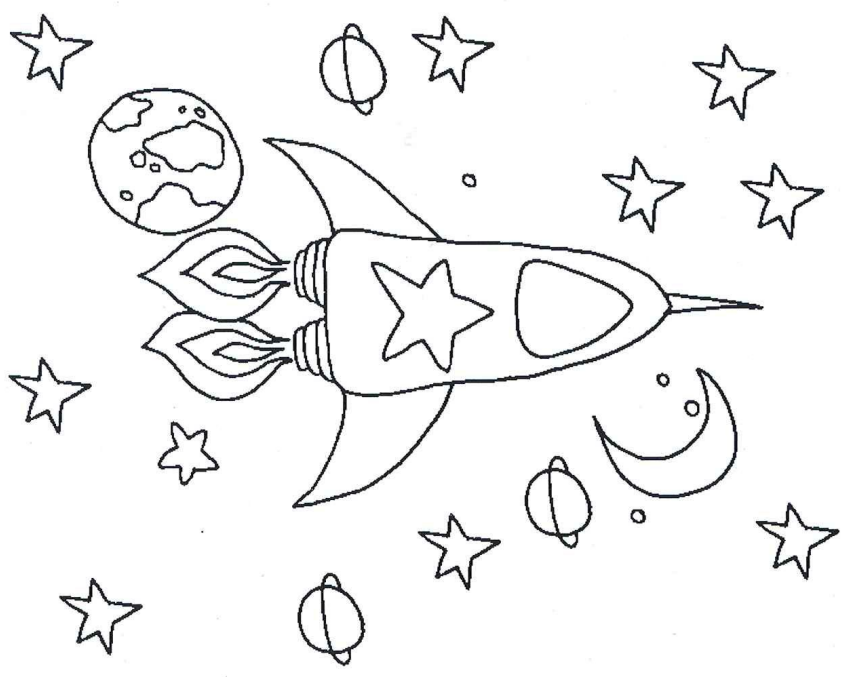

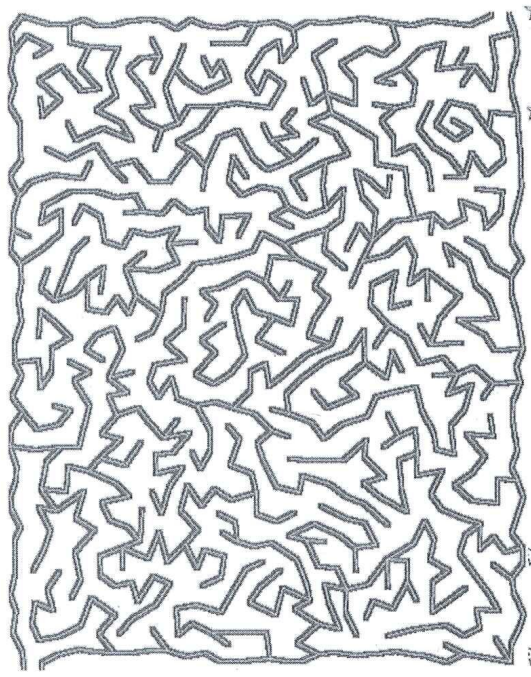

The word "listen" contains the same letters as the word "silent".

A Hippopotamus can run faster than a Human.

It is impossible to lick your elbow. (We know you're going try this!!!)

The cockroach is the fastest animal on 6 legs covering a meter a second.

Amazing Maze #3
Trace your way out
of the Amazing Maze!

Can you find
the way to the
picnic basket?
