Live Music

🎧 Fri, 10 Dec, Street Fair, Nowhere Man & a Whiskey Girl

Their music is also a melting pot of music styles. At any given moment on their album, you'll hear influences of Billie Holiday, Carole King, ragtime, Joni Mitchell, Robert Johnson, Pink Floyd, Sylvia Plath & absinthe, all wrapped in an eerie obsession with happiness & death. Indie/Folk/Americana

🎧 Sat, 11 Dec, Street Fair, Leila Lopez

Is a gentle, passionate soul whose inner rhythms manifest an assumingly gorgeous grace. In broad sweeping colors of folk, jazz, and Latin influence, Leila's mellifluous voice, and quiet chords articulate a prayerful, joyful love of life, as if to remind us, "The universe is not made up of atoms, but of music."
